

## STATEMENT OF COMMITMENT TO THE ACOLTYE MINISTRY 2007-2008

I wish to serve as an Acolyte for the Church of the Holy Comforter, for the 2007-2008 school year. I have read the Acolyte Guidelines which is enclosed, and discussed them with my parents. I believe that I can faithfully perform the duties of an Acolyte.

I have discussed my services as Acolyte with my parent(s), and I will be supported in my ministry with their assistance in getting to Church when scheduled and at the proper time, and in meeting other obligations relating to training and appearance.

I understand that as a member of an Acolyte team, it is my responsibility to learn the duties of an acolyte, serve when scheduled, dress appropriately, be at the Church in vestments 20 minutes before the service, and notify my team captain when I will not be able to serve.
